I certify that I have the authority to apply to EzTel for provide the telecommunications services listed in this application under the product name of "myeztelDIRECT" and "myEzNET", which I understand are a fixed wire long distance service and internet services respectively. I acknowledge the following:

- EzTel will bill me/us for all communication services listed in this application for an initial contract period of 24 months. Services are provided subject to EzTel's terms and conditions that are available on request. EzTel may select the carrier(s)/supplier(s) in order to supply the above telecommunications services. EzTel and its supplier/carrier(s) may exchange call charging and provide personal and/or company account information for the purpose of providing you the above mentioned services.
- Accounts will be paid strictly 14 days from invoice except internet charges which will be payable via direct debit only. All prices, under which services are currently supplied, have been calculated inclusive of GST. As EzTel provides the service on 14 days credit, I agree to EzTel Communications giving information about me to a credit reporting agency (Section 18E(1)(b) and 18E(8)(c), Privacy Act 1988) and obtaining a credit report seeking commercial and consumer credit information (Section 18L(4) and 18K(1)(b), Privacy Act 1988) and exchanging information with other credit providers (Section 18N(1)(b), Privacy Act 1988)
- Payments overdue by 14 days may be charged on the above credit card after applying a late fee surcharge
- I authorize EzTel to act on my behalf to transfer my existing DSL service & understand my responsibility for charges due to my current DSL provider until the date of transfer to EzTel where EzTel has informed me of this transfer (Note: Please check out any early contract termination payment due to this transfer as you may be liable to pay them)
- You will pay EzTel for all charges associated with the services from the date this transfer of DSL services takes effect. You will pay connection fee and equipment charges before their shipment. Technical support for modem/routers will be provided by EzTel only for equipment purchased from EzTel else you contact its vendor directly
- That EzTel depends on other supplier(s) to provide services and the ability of EzTel to provide any service including DSL service(s) may be affected by other suppliers which is beyond the control of EzTel. EzTel will notify you of the transfer of your DSL service within 10 working days of the transfer taking place.
- If this application for service is signed on behalf of a company, the directors of that company acknowledge responsibility jointly and severally for all services invoiced to the company resulting from this application for services

I confirm that I have the authority to apply for EzTel P/L to provide the services listed in this application. I certify that the information supplied is true and correct and that we will pay the full EzTel account by the due date. I have read and understood EzTel's service charges and accept EzTel's terms and conditions under which these services are provided.
